Dear Sir,

Sub.: Disclosure of information under Regulation 30(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 on expansion of Caustic Soda Plant and installation of 65 MW Coal based Power Plant at Dahej Complex

Ref.: Update to our letter dated 7th December, 2018 on the above subject

We would like to inform you that the Board of Directors of the Company, at its Meeting held on 7th November, 2019, has approved the expansion of existing Caustic Soda Plant at Dahej Complex from 785 MTPD to 1310 MTPD (from 1200 MTPD earlier approved).

This upward expansion from earlier approved 1200 MTPD capacity to 1310 MTPD would lead to additional investment of Rs. 50 Crore over and above the Project Cost of Rs.825 Crore. Therefore, the estimated Project Cost considering the above upward expansion and installation of 65 MW of Coal based Power Plant at Dahej Complex would be Rs.875 Crores.

The Project, when implemented, will contribute approx. Rs.480 Crore in Sales of the Company at the prevailing market prices. The estimated figure of turnover remains unchanged due to decrease in the prevailing market price of Caustic Soda group.

The other details as provided in our letter dated 7th December, 2018 with respect to implementation timeline and funding of the project cost would remain unchanged.

Please take the above on record.

Thanking you,

Yours faithfully,
For GUJARAT ALKALIES AND CHEMICALS LIMITED
