Dear Sir,

Sub. : Disclosure of information under Regulation 30(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 on Hydrazine Hydrate Plant

We had, vide our letter dated 24.03.2015, informed the Stock Exchanges about the development of Hydrazine Hydrate Process Technology by Gujarat Alkalies and Chemicals Limited(GACL) with Indian Institute of Chemical Technology, Hyderabad (IICT), one of the Council of Scientific and Industrial Research(CSIR) Institutions of India.

We had also informed the Stock Exchanges vide our letter dated 09.11.2021 that we had got the Certificate of Patent from the Controller of Patent, the Patent Office, Government of India.

We are now happy to inform that the Patent has now been granted for the same process by the United States Patent & Trademark Office, with a Patent Number US 11225413 B2 entitled "PROCESS FOR PRODUCTION OF HYDRAZINE HYDRATE" to GACL jointly with CSIR.

As informed earlier, 10000 TPA (80%) Hydrazine Hydrate Project, with forward integration to Hydrogen Peroxide, for the manufacturing of an import substitute at Dahej, is under implementation and it is expected to go on stream in near future.

This is a major step towards "Atmanirbhar Bharat" – vision of the Hon. Prime Minister of India for making the India a self-reliant nation, in Chemical Sector.

We request you to kindly take note of the above.

Thanking you,

Yours faithfully,

For GUJARAT ALKALIES AND CHEMICALS LIMITED

(S S BHATT)
COMPANY SECRETARY &
CHIEF GENERAL MANAGER (LEGAL & CC)
