Dear Sir,

Sub. : Disclosure of information under Regulation 30(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Delay in projects implementation due to resurgence of COVID-19 Pandemic

The Company had, vide its various communications, intimated about its various expansion projects being undertaken which includes 1,05,000 TPA Chloromethanes Plant, 10,000 TPA Hydrazine Hydrate Plant, 33,870 TPA Phosphoric Acid Plant, Caustic Soda expansion with 65 MW Coal based Power Plant at Dahej Complex and 800 TPD Caustic Soda Plant with 130 MW Coal based Power Plant by its subsidiary and joint venture Company viz., GACL-NALCO Alkalies & Chemicals Private Limited (GNAL).

Covid-19 pandemic continued affecting adversely the implementation of ongoing projects, posing huge challenges. The Company took several proactive steps to mitigate the impact. Overcoming the hurdles, this would, however, result into delay in completion of these projects by about 3 months. All efforts are being made to minimize the delay in completion of these projects.

We request you to take the above on record.

Thanking you,

Yours faithfully,
For GUJARAT ALKALIES AND CHEMICALS LIMITED
